- 2025 Academic Staff in The Dina Recanati School of Medicine Reichman University

E. ACADEMIC & PROFESSIONAL AWARDS

- 1987-1989 -Postdoctoral Fellowship, Department of Periodontics, Dental Branch, University of Texas Health Science Center, Houston, Texas, USA
- 1989- 1990 - Clinical and Research Fellowship, Department of Pediatric Dentistry, Dental Branch, University of Texas Health Science Center; and Department of Molecular Genetics, Howard Hughes Medical Institute, Texas Health Science Center, Houston, Texas, USA.
- 1\91-1\93 - Ministry of Absorption, Fellowship Award, Israel 2 year salary (1/2 time position)
- 6-2012 - Friend of the dentists in Beer Sheva district – Israel Dental Association

GRANTS

- 5/94-5/95 Shauder Fund, NIS 9500
Title: Formation of new periodontal ligament by periodontal ligament cells implanted in vivo after culture in vitro.
Principal investigators: Sarnat H, Ashkenazi M.
- 9/95-1/97 Mavelin and Sanford Lefcoe Fund, NIS 6600
Title Determination of the optimal conditions for attachment of fibroblasts to root surfaces containing cementum
Principal investigators: Ashkenazi M, Sarnat H.
- 1995-1997 Chief Scientist, Ministry of Health, Jerusalem, Israel
NIS 40,000
Title: Formation of new periodontal ligament in avulsed tooth
Ashkenazi M, Sarnat H.
- 2002-2004 Lefco Foundation, NIS 8000
Title: In vitro clonogenic capacity and differentiation of periodontal ligament fibroblasts explanted and cultured with Emdogain
Principal investigator. Ashkenazi M,
Co-investigator: Shaked I.
- 2005-2006 Research Committee of Dental Scholl, NIS 4350
Title. Effectiveness of triple-headed toothbrush in patients with fixed orthodontic appliances.
Principal investigator. Ashkenazi M,
Co-investigator: Rafe Z, A. Vardimon .
- 2006-2007 Research committee of Dental Scholl, Foundation of Alfa Omega, NIS 6750
Title: The effects of age on the ability of children in first to fifth grades of elementary School to brush correctly and effectively their teeth with triple-headed toothbrushes following professional and individual instructions.
Principal investigator. Ashkenazi M,
Co-investigator: Berkovitz R, Aharon L.
- 2008-2009 Research Committee of Dental Scholl Foundation of Alfa Omega, NIS 5400
Title: Age-associated changes of the mandibular foramen position in Israeli Bedouins.
Principal investigator. Ashkenazi M,

PATENT

2023- Ashkenazi M, Yusupov Yaakov, Platner. Computer-guided Autotransplantation, Sheba Medical Center

Patent Application in Israel

DENTAL SURGICAL GUIDE AND METHODS FOR THEIR PRODUCTION

In the name of: SHEBA IMPACT LTD

Application No.: 309868

Application Date: December 31, 2023

Appointments

- 1992- 2008 Admission Committee, Fellowship Program in Pediatric Dentistry, Department of Pediatric Dentistry, School of Dental Medicine, Tel Aviv University, Israel.
- 1992-1995 Executive Committee, Israel Society of Pediatric Dentistry
- 1993- Member of the Examination Board of Pediatric Dentistry, Israel Dental Association
- 1993- Member of the National Board of Dental Examiners (Dental Licensing Exams), Ministry of Health.

- 2005 Member of the Sedation committee, Pediatric Dentistry Society, Israel.
- 2005 Member of the Consensus Committee on Pit and Fissure Sealants, Israel Society of Dentistry.
- 2001- 2007 Member of Thesis Committee, School of Dental Medicine, Tel Aviv University, Israel.
- 2007- 2008 Member of Committee for teaching advanced degrees, School of

- 2008- Dental Medicine, Tel Aviv University, Israel
Member of the Division of Dental Health Committee: Dental treatment of children with oncology or hereditary disabilities, Ministry of Health, Israel.
- 2008 Member of the Orthodontics Specialty Committee, Israel Dental Association Israel Society of Orthodontics.
- 2010 Member of the Consensus Committee for sedation guidelines, Ministry of Health, Israel.
- 2009-2011 Chairman of the Israel Society of Dentistry for Children.
- 2011- 2013 Member of the National Committee for child health.
- 2014- Representative of The Israeli Society of Dentistry for Children in EAPD
- 2020 Director of post-graduate program in Pediatric Dentistry. The Center of Oral and Dental Health, Sheba Medical Center, Tel Hashomer, Israel

F. ACTIVE PARTICIPATION IN SCIENTIFIC MEETINGS

Conference: 11th Interim Seminar EAPD

Chairperson at the EAPD Interim Seminar in Turin for the following Oral Poster Discussion Session:

Oral Medicine & Dental Anomalies (12 Posters)

Chairpersons: Malka Ashkenazi (Israel) and Ana Coelho (Portugal)

Saturday 22nd April 2017 1000-1100h

Conference: 11th interim seminar EAPD

Committee for the expert nomination for the

10th EAPD Interim Seminar and Workshop "Local Anesthesia in Pediatric Dentistry". 2017

Conference: 14TH EAPD congress

Co-Chairpersons at the EAPD Congress in Lugano for the following Oral Poster Discussion (OPD) :

Oral Medicine and Oral Pathology

Thursday 21st June 2018 11:45-13:15 (15 Presentations)

Chairpersons: M. Ashkenazi (Israel) and E. O'Sullivan (UK)

Conference: 12th Interim Seminar EAPD

Interim Seminar EAPD and Guidelines Workshop

The representative of the Israel Dentistry for Children Association

Subject: Intraoral radiography in paediatric dentistry – indications, intervals

And techniques: a systematic review of the literature workshop

Sept 2019

Chania, Crete (Greece)

Conference 12th Interim Seminar EAPD

Interim Seminar EAPD and Guidelines Workshop

The representative of the Israel Dentistry for Children Association
Subject: Conventional restorative management of caries
March 2021
Oslo

Conference 13th Interim Seminar EAPD
EAPD Interim Seminar and Guidelines Workshop,
Subject: Conventional pulp therapy
May 5-6, 2023, at the Cubex Centre Prague.
Prague, the Czech Republic

CONFERENCES

International invited talks

1. Conference: Save a Child seminar
Title: Preventive approach in pediatric dentistry
Location: Addis Ababa, Ethiopia
Date: September 2000.
2. Conference: Congress of the Thai Society of Pediatric Dentistry
Title: Computerized delivery of local anesthetics in children.
Location: Bangkok, Thailand
Date: December 2006.
3. Conference: 2nd international conference on computerized delivery system
Title: Physiologic and clinical characteristics of PDL anesthesia delivered by a high-pressure syringe and by a computerized device.
Location: Amelia Island, Florida.
Date: May 2009.
4. Conference: 4th international Transylvania congress of dentistry
Title: Psychological effects and pharmacological characteristics of nitrous oxide
Location: Cluj-Napoca, Romania
Date: October 2013
5. Conference: 4th international Transylvania congress of dentistry
Title: How to improve the effectiveness of local anesthesia in children
Location: Cluj-Napoca, Romania
Date: October 2013
6. Conference: Workshop. 4th international Transylvania Congress of dentistry
Title: Pulse oximeter for monitoring dental patients-indications, advantages and disadvantages

Location: Cluj-Napoca, Romania
Date: October 2013

7. Conference: Workshop: 4th international Transylvania congress of dentistry
Title: Practicing nitrous oxide delivery
Location: Cluj-Napoca, Romania
Date: October 2013
8. Conference: 2nd World Dental Online Conference
Title: Computerized Controlled Local Anesthesia Delivery (C-CLAD) in Children
Date: 19-21 August 2014
9. Conference: Lecture for fifth and sixth-year students in dentistry
Title: Improving the effectiveness of local anesthesia
Location: Dental School, República del Ecuador, Kito
Date: 24 June 2015
10. Conference: Annual meeting of the Pediatric Dentistry Association
Title: Treatment of teeth with deep caries lesion or with MIH. Theory and personal Experience
Location: Ljubljana, Slovenia
Date: March 2018
11. Conference: 2nd congress of the national pediatric dentistry association
Title: Treatment of molar and incisors with deep caries lesion or with MIH. Theory and personal experience
Location: Mosco, Russia
Date: 8th February 2019
12. Conference: Annual pediatric dentistry meeting
Titles: I. Treatment of molars and incisors with deep caries lesions or with MIH. Theory and personal experience
II. "Stainless steel crown in children"
Location: Ukraine, Kiev
Date: June 2019
13. Conference: International webinars for OHI-S company
Title: CBCT-guided tooth-autotransplantation & Dilemmas in the Interpretation of Radiographs during follow-up appointments
Location: Online
Date: January 2021

- National invited talks

1. Conference: Scientific meeting of the Israel Society of Pediatric Dentistry
Title: Local anesthesia in children.
Location: Jerusalem.

Date: 1990

2. Conference: Advanced study for pediatric dentists in Maccabi Health Organization
Title: Traumatic injuries in primary and permanent dentition.
Location: Tel Aviv
Date: March 2001
3. Conference: Seminar for Israeli Residents in Pediatric Dentistry,
Title: Neutrophil modulation by actinobacillus actinomycetemcomitance.
phagocytosis and development of respiratory burst.
Location: Tel Aviv,
Date: March 2002
4. Conference: Annual meeting of the Israel Hygienists Association.
Title: Psychological approach for the treatment of the feared child.
Location. Tel Aviv.
Date: December 2003.
5. Conference: Annual meeting of the dentists in the Israel Defense Force
Title: Behavioral Approaches in Dental Treatment.
Location: Triffin
Date: December 2005.
6. Conference: Advanced studies for pediatricians in Clalit Health Services.

Title: Treatment and follow-up after traumatic injuries in primary incisors.
Location: Beer Sheva,
Date: March 2010.
18. Conference: Advanced studies for pediatricians in Clalit Health Services
Title: Behavioral management approaches in treating anxious children.
Location: Petach Tikva.
Date: January,2010.
19. Conference: Scientific meeting of the Israel Society of Dentistry for Children.
Title: Pros and cons of space maintenance, evidence-based.
Location: Avenue Convention Center, Airport City.

Date: March 2010.

20. Conference: Weekly seminar of pediatricians.
Location: Dana-Dwek Children's Hospital, Medical Center, Tel Aviv.
Title: Behavioral management approaches in treating anxious children.
Location: Tel Aviv
Date: April 2010.
21. Conference: Advanced studies for dentists of Israel Dental Association
Title: Molar Incisor Hypomineralization (MIH) and Deciduous Molar Hypomineralization (DMH).
Location: Tel Aviv Center
Date: June 2010.
22. Conference: Annual meeting of the Israel Association of Dentistry,
Title: Scientific evidence in dental erosion and the challenge for the clinician in diagnosis and treatment.
Location: Hilton, Tel Aviv
Date: November 2010.
23. Conference: Annual meeting of "Dental Israel"
Title: Computerized delivery of local anesthesia for children and adults.
Location: Hilton, Tel Aviv.
Date: July 2011
Chairman of a session
24. Conference: Advanced studies for dentists of Israel Dental Association
Title: How to improve the effectiveness of local anesthesia.
Location: Tel Aviv Center
Date 6 January 2012
25. Conference: Advanced Implantology, Periodontology & Endodontology,
Title: Usage of pulse oximeter in dental clinic- advantages and disadvantages.
Location: The Day-Care Surgical Center, Oral and Maxillofacial Surgery,
Location: Ramat Hasharon, Israel.
Date: January 2012
26. Conference: Advanced studies for dentists of Israel Dental Association
Title: How to improve the effectiveness of local anesthesia.
Location: Beer Sheva
Date: June 2012
27. Conflict and Dialogue. Creative treatment-options following severe dental traumatic injuries to anterior teeth.
Title: Auto-transplantation: an optional treatment for loss of teeth in young patients.
Location: Daniel Hotel. Herzelia
Date: June 2012

28. Weekly seminar for postgraduate students in Endodontic
Title: Treatment of avulsed tooth and its complications
Location: Rambam Medical Center
Date: September 2012
29. Conflict and Dialogue.
Title: Extraction of wisdom teeth- what was changed from past up to today.
Participation in the expertise panel:
Location: Dan Acadia Hotel, Herzelia
Date: October 2013
30. Divisions of Orthodontic and Oral Surgery.
Title: Treatment modalities in severe dental trauma
Location: Sheba Medical Center, Tel Hashomer, Israel
Date: October 2013
31. Conference: Dental treatment for elementary school children
Subject: Treatment modalities in severe dental trauma
Location: Kfar Hamacabia Hotel, Ramat-Gan
Date: November 2013
The conference was organized by Clalit company

Title: Computerized guided autotransplantation in children
Location: Center of Oral and Dental Health, Sheba Medical Center, Tel Hashomer
Date: February 2020
47. Conference: Weekly seminar for postgraduate students in Endodontics
Title: Computerized guided autotransplantation in children
Location: Center of Oral and Dental Health, Sheba Medical Center, Tel Hashomer
Date: July 2020
48. Malka Ashkenazi, Adi Ram, Dafna Shashua, Yakov Yosipov, Ori planter
Conference: Annual Meeting of the Israel Dental Association
Title: Digital design for accurate orienting and dimensioning of artificial dental socket for tooth autotransplantation
Hilton, Tel Aviv
Date: November, 2022
49. Rita Yoshpe, Arei Kaufman, Ashkenazi Malka
Conference: Annual meeting of Israel Dental Association
Title: Regenerative endodontics – a promising tool to promote periapical healing and root maturation of necrotic immature permanent molars with apical periodontitis
Location: Hilton Hotel, Tel Aviv, Israel
Date: November 2022
50. Yoshpe Rita, Arei Kaufman, Ashkenazi Malka
Conference: Annual meeting of Israel Dental Association
Title: Success and Failure of Partial and Cervical Pulpotomies by MTA in Permanent young teeth
Location: Hilton Hotel, Tel Aviv, Israel
Date: November 2022
51. Michael Yegudaiev, Noam Yarom, Malka Ashkenazi,
Conference: Annual meeting of the Hygienist Association, Malka Ashkenazi.
Title: Computer-controlled autotransplantation in children
Location: Ben Gurion city
Date: 12-July 2023
52. Conference: Annual meeting of Israel Dental Association
Title: Overcoming failure of local anesthesia in children
Location: Hilton Hotel, Tel Aviv, Israel
Date: December 2023-

53. Conference: The 18th Dental Biennale. The researcher and the clinician conflict or synergy.

Title: How to increase the success rate of auto transplantation

Location: Dan Hotel, Eilat

Date: postponed due to the AZA war

54. Conference: Annual meeting of the Pediatric Dentistry Association

Title: Factors Associated with spontaneous Space Closure following premature Extraction of Permanent First Molars: A Retrospective Radiographic Analysis"

Location: Hilton Hotel, Tel Aviv, Israel

Date: December 2024

55. Conference: Weekly meeting in the Israel Dental Association

Title: Factors affecting the success rate of auto transplantation

Date: June 6, 2025

PARTICIPATION IN ORGANIZING CONFERENCES

As a member of the Israel Society of Pediatric Dentistry during 1992-1995 I assisted to organize about 9 scientific meetings of the society including invitation of Prof Pinkham from the USA to Israel in 1995. Unfortunately, we do not have any documentation about the precise subjects or the places of these meetings.

As a head of the Israel Society of Pediatric Dentistry during 2010-2011, I organized (I planned the scientific program, invited the speakers, and was involved in choosing the organizing company, the place, and the food, including arranging sponsorships for the meetings etc) all the meetings during 2010 -2011.

Conference title: The role of the Pediatric Dentist in orthodontic treatment,

Location: Avenu Convention Center, Ben Gurion, Tel Aviv,

Date: 3 March 2010,

The organizational function- As detailed above

Conference title: The role of Oral Surgeon in Pediatric Dentistry.

Location: City Tower, Ramat Gan, Isreal.

Date: 18 June 2010,

organizational function- As detailed above

Conference title: Pulp treatments in primary and permanent dentition (including invited Prof Geulmann M from Florida USA).

Location: City Tower, Ramat Gan, Israel.

Date: September 2010.

The organizational function-As detailed above

Conference title: Prevention in Pediatric Dentistry and Esthetic Treatments (including invited Prof Berg J Washington, USA).

Location: Herzelia, Israel,

Date: 16-17 December 2010,

The organizational function-As detailed above

Conference title: Dealing with pain and anxiety in pediatric dentistry
(including invited Prof Hochman M from New York, USA).

Location: Avenu Convention Center, Ben Gurion, Tel Aviv,

Date: 4 March 2011,

The organizational function-As detailed above

Conference title: Impacted canines and periodontal diseases in children

Location: Avenu Convention Center, Ben Gurion, Tel Aviv,

Date: 3 June 2011,

The organizational function-As detailed above

Conference title: The line between Systemic Diseases and pediatric dentistry

Location: Uno Convention Center, Asrieli building, Tel Aviv,

Date: 9 September 2011,

The organizational function-As detailed above

Conference title: Early diagnosis and minimally invasive restorative care for children.
(including inviting Prof Donly KJ, Texas, USA).

Location: Herzelia, Israel,

Date: 15-16 December 2011

organizational function-As detailed above

Conference title: Dental Israel 2011: pediatric dentistry: MIH - molar incisor
hypomineralisation, apexification of non vital permanent teeth, and computerized delivery
of local anesthesia

Location: Hilton, Tel Aviv, Israel

Date: 5-6 June, 2011

organizational function- organizing the scientific session of pediatric dentistry and served
as chairman

G. MEMBERSHIPS IN PROFESSIONAL SOCIETIES

1987-1990 Houston Society of Pediatric Dentistry

1989- 2010 International Association for Dental Research

2000- European Academy of Paediatric Dentistry

2006- International Academy of Pediatric Dentistry

- NATIONAL

1987- Israel Dental Association

1987- Israel Society of Dentistry for Children

1992- 1994 Israel Society of Anesthesiology and Sedation
